## **Northstar Merlot**

It doesn't get much better than this one! Located in Walla Walla, WA, the Northstar winery sources only the highest quality grapes from the most premier vineyards in Washington. This wine will make every meal a special occasion.

*Enjoy it for an incredible price!*

~ 62 ~

## **Seven Hills Viognier**

This grape varietal burst onto the scene just a few years ago. Rich and golden in color, aromas of orange peel and peach are accented by spicy and toasty notes. Delicious flavors of orange and peach are supported by a soft structure and complexity from barrel ageing in French oak. *A true diamond in the rough, this one will pleasantly surprise you.*

~ 36 ~

## **Chinook Semillon**

Hand crafted by a real "Mom and Pop" winery, this grape varietal, typically used for blending, shines on its own in a wonderful, food friendly wine. Ripe fruit jumps out and is well balanced by the crisp acidity naturally found in Semillon. Time spent in new oak barrels adds to the complexity of this dry, crisp wine. *Superb with shellfish!*

~ 32 ~

## **Waterbrook Melange**

Waterbrook has blended together Merlot, Cabernet Sauvignon, Cabernet Franc, Sangiovese and Syrah into an award-winning wine. Plum and Rainier cherry flavors are met with the warmth of vanilla and green tea on the finish.

*An intriguing, complex wine that will leave you wanting more.*

~ 32 ~

## **Chinook Cabernet Franc**

The Cab Franc grape varietal dates back over 1000 years. Often blended into Cabernet or Merlot, this wine is perfect all its own. Intense ripe fruit jumps out and is smoothed away by hints of luscious blueberries. Low tannins make for a very easy drinking wine with a smooth finish. *A staff favorite & soon to be one of yours.*
